Primary/Jazz 1	4:15-5pm
Tap Combo	5-5:30pm

Our classes in Deloraine are at the Baptist Church hall (behind the church) and are equipped with some mirrors and a barre.

Pre-Primary

For 2024 we are running a pre-primary class for ages 4-7 that focuses on coordination, balance, strength and mastering the basic positions of dance.

Primary/Jazz 1

Our Primary/Jazz 1 class is a combined class of the Primary jazz syllabus steps and Grade 1 Jazz. In primary students learn turn out, jumping technique and pas de bourre turns. By Jazz one they start to learn chasses & chaine turns and short combos.

Tap Combo

Our tap combo class is a mix between classical and Tap'n'Beats. Students will learn some classical movement sequences and then also experiment with various rhythms from Tap'n'Beats working on speed and correct execution.
